# **KNOW THE RULES**

## **14-1. General**

### **a. Fairly Striking the Ball**

**The ball must be fairly struck at with the head of the club and must not be pushed, scraped or spooned.**

### **b. Anchoring the Club**

**In making a stroke, the player must not anchor the club, either "directly" or by use of an "anchor point."**

**Note 1: The club is anchored "directly" when the player intentionally holds the club or a gripping hand in contact with any part of his body, except that the player may hold the club or a gripping hand against a hand or forearm.**

**Note 2: An "anchor point" exists when the player intentionally holds a forearm in contact with any part of his body to establish a gripping hand as a stable point around which the other hand may swing the club.**
